RESUME OBJECTIVE

Web developer with over 3 years of experience working internationally. I'm seeking a position as a developer or a project manager where I could leverage my skills in Drupal, VueJS, php, Javascript, HTML/CSS/Sass and serve as a strong asset to the company.

PROFESSIONAL EXPERIENCE

AKABIA, Lille, France

Intern Drupal Web Developer & Project Management Assistant

September 2020 – Present

- Worked as a full stack developer for over 20 projects using Drupal 7 to Drupal 9 for national and foreign clients.
 - <https://en.unesco.org/inclusivepolicylab/> (Drupal7), <https://fr.unesco.org/silkroad/> (Drupal8), <https://emploi.isagri.fr/> (Drupal 9).
- Collaborated with marketing and project management teams to deliver projects on-time and with the highest standard.
- Acted as the lead developer and worked with web integrator for three projects. I led the full lifecycle of the project from managing the tasks and creating the work environment to put into production.
- Worked on intranet websites with very technical demand.
- Assisted the Chief Technology Officer in managing clients by coordinating regular calls to gather requirements and review project statuses.
